NEW INSTITUTION UPDATES/HIGHLIGHTS

-Many new programs have been added in recent years including some niche offerings: Biopsychology; Community Engaged Learning; Data Science; Geocomputing; Health Studies; Indigenous Studies; Language and the Mind; Museum and Curatorial Studies; Screen Studies and Popular Culture; Joint Major in Music and Computer Science. BA. with Aviation now offered, in addition to BSc. Aviation and BCM with Aviation.

-Global Skills Opportunity Programs <https://mta.ca/current-students/experiences-and-career/international-experiences/global-skills-opportunity-mount>: [Utrecht Field School in Psychology](#); [Kyoto Field School in Religious Studies](#); [Galápagos Islands Conservation Physiology Field School in Biology](#); [Belize Field School for Indigenous Students](#) (Maple League supported program)

-Sackville NB receives prestigious United Nations Ramsar City Wetland Site accreditation <https://canadiangeographic.ca/articles/sackville-n-b-scores-prestigious-un-wetland-accreditation-in-a-canadian-first/>. The region has become an incredible hub for environmental research, particularly in wetlands fields. Undergrads are regularly connected through research to various Environment Canada agencies, as well as related NGO groups.
